## **GRANT APPROVAL FOR WALLINGFORD VOLUNTEER FIRE STATION**

Dear Friend:

The citizens of Wallingford have an extremely strong sense of community spirit and volunteerism. Residents take great pride in those who serve not only their town, but their state and country as well. That is one of the many reasons I feel privileged to represent you as your state senator.

Recently, the state did its part to help the volunteer firefighters in Wallingford by approving a \$500,000 grant to assist the town in constructing a new volunteer fire station. I worked diligently with several state and local officials to secure this funding, which came from the state's Small Town Economic Assistance Program (STEAP). Firefighters are heroes of the community and with this state assistance, Wallingford is on its way to providing them with a brand new facility.

Our state's veterans bravely served our country and deserve our utmost respect and assistance. As Ranking Senator on the General Assembly's Select Committee on Veterans' Affairs for the last two years, I have helped pass significant legislation that honors and assists veterans in Wallingford and throughout the state. I have worked hard for and will continue to support our veterans. Last year I was honored by the American Legion which presented me with one of their highest awards, the Americanism Award, for my legislative work on the Committee on Veterans' Affairs.

I am committed to advocating on behalf of the many men and women who dedicate themselves to serving our communities. If you have any questions or comments, please feel free to call me at 1-800-841-1421, or e-mail me at [Len.Fasano@cga.ct.gov](mailto:Len.Fasano@cga.ct.gov).

Sincerely,

A stylized, handwritten signature of Len Fasano in dark ink.
